Bridal Service Regulations for “Out Call Services”

Out Call Logistics:

The order and timing of the appointments will follow the schedule already confirmed by the wedding planner.

- The salon employees will arrive 30 minutes previous to the appointments to set up their stations. Please, have a designated area for the stylists to work that has outlets and good lighting. Be prepared to have enough chairs for the people getting their hair done.
- Choose an area for the makeup artists to work that provides natural lightning.
- The bride and or wedding planner are responsible to inform the guest about the “on site price list” already provided with the contract; prices are always subject to change.

Out Call Pre Appointment Requirements

- Every guest that is getting a Blow Dry should have washed wet hair.
- All guests getting and Up styling or Half Styling should have DRY CLEAN hair, preferably washed and blown dried the day before with minimum styling products.
- The party guests should receive the services already confirmed, last minute changes would depend on the availability of the stylist. The salon stylists are not required to provide services outside of their confirmed schedule.
- All bridal party guests must be on time to maintain the integrity of the schedule. Tardiness will result in possible cancellation or limited services. All confirmed appointments will be charged according to contract.

If you are not sure if a certain member of the wedding party will want services, we recommend booking them for 1 hour so that their appointment time will be held.

We do ask for a 30 day cancellation notice for our bridal parties and their members. Cancellations/ no shows will be charged from the bridal deposit for the full amount to the service booked. Details to keep in mind: All up do and half up do appointments must arrive at the salon with dry hair.
